

SNAP-IN CLIPS

Many styles available for all your routing needs. Clips snap easily into holes. All styles provide for secure retention and easy removal of cords and wires.

Note: Illustration is a representation of the general shape of the clip and not an actual shape. Contact Fastex for a blueprint.

PART NUMBER	TYPE	(NOMINAL) A	(NOMINAL) B	(NOMINAL) C	PANEL HOLE DIAMETER	PANEL THICKNESS
220-424200-05	A	.480	1.462	—	.250	.035-.140
